

LINCOLN GYMNASTICS CLUB

Covid-19 Club Update

Dear Club Member & Family

The UK Government is continually updating their plan into the steps they will take to gradually lift the lockdown restrictions put in place to limit the spread of coronavirus (COVID-19). We understand and acknowledge there will be minor differences across activities, however what is clear at this time is there is no change for our sport, our club must remain closed at this time to keep our members and their families safe.

While we are all keen to get back to the sport we love, it is clear this is just one stage in a long journey. Our Club volunteer personnel are using the advice from government and our national governing body (British Gymnastics) to map out the strategy required when restrictions are lifted.

We must be patient. Safety and safeguarding are paramount. At this time, we must take this opportunity to say a big, big, big, huge thank you to all who have continued to support the club both financially by continuing to pay their fees and also those who have issued their kind appreciation and support via social media. This support is not only helping to secure the club's future for your child/children when we reopen but also take a weight off those volunteers who are trying hard to do the same. Please note, we appreciate not all can do this at this time, but that is why Lincoln Gym Club has always, and will always, be a family community to support each other.

As a club, we are attempting to come up with novel and interesting ways to try and interact with our members both young and older. We continue to stay in touch with members through creating Club activity videos which can be found on our website to include endorsed activities to keep gymnasts fit, healthy and engaged in the safety of their home, produced by British Gymnastics. Any feedback on these is gratefully received, and sessions will be added as soon as possible.

To sum up, there remains no clear indication when indoor sports clubs and centres may be able to operate again, however we prepare for that time to welcome you back in whatever form it allows.

In the meantime, we will continue to communicate as information becomes available and things progress for the club.

Remember, if you have any questions, concerns or just want to let us know how you get on with one of our activity videos. You can visit our website <http://www.lincolngymnastics.club> or contact us via email at info@lincolngymnastics.club.

Please take care of yourselves and your families and know we are missing you all.

Kind regards,

Lincoln Gymnastics Club Directors, Committee and Coaching Team
